Dear Community Partner,

On behalf of the LESD Educational Foundation, thank you for considering a partnership with our inaugural **Boo Bash! & 5K Dash** benefiting the Litchfield Elementary School District Educational Foundation.

This event is more than a race—it's an opportunity for families, businesses, educators, and community members to come together in support of educational excellence across the Litchfield Elementary School District.

Your sponsorship directly impacts students by helping fund innovative classroom grants, educational enrichment opportunities, teacher initiatives, and programs that inspire learning beyond the traditional classroom.

On Saturday, October 24, 2026, we invite our community to come together at Millennium High School for a morning of fitness, fun, and philanthropy. The event will feature a timed 5K, a timed 1-Mile Fun Run, trick-or-treating, local vendors, children's activities, music, and a festive Halloween celebration for participants of all ages.

Our goal is to welcome more than 300 participants while raising \$8,000 to fund programs and initiatives that make a meaningful difference for LESD students and teachers.

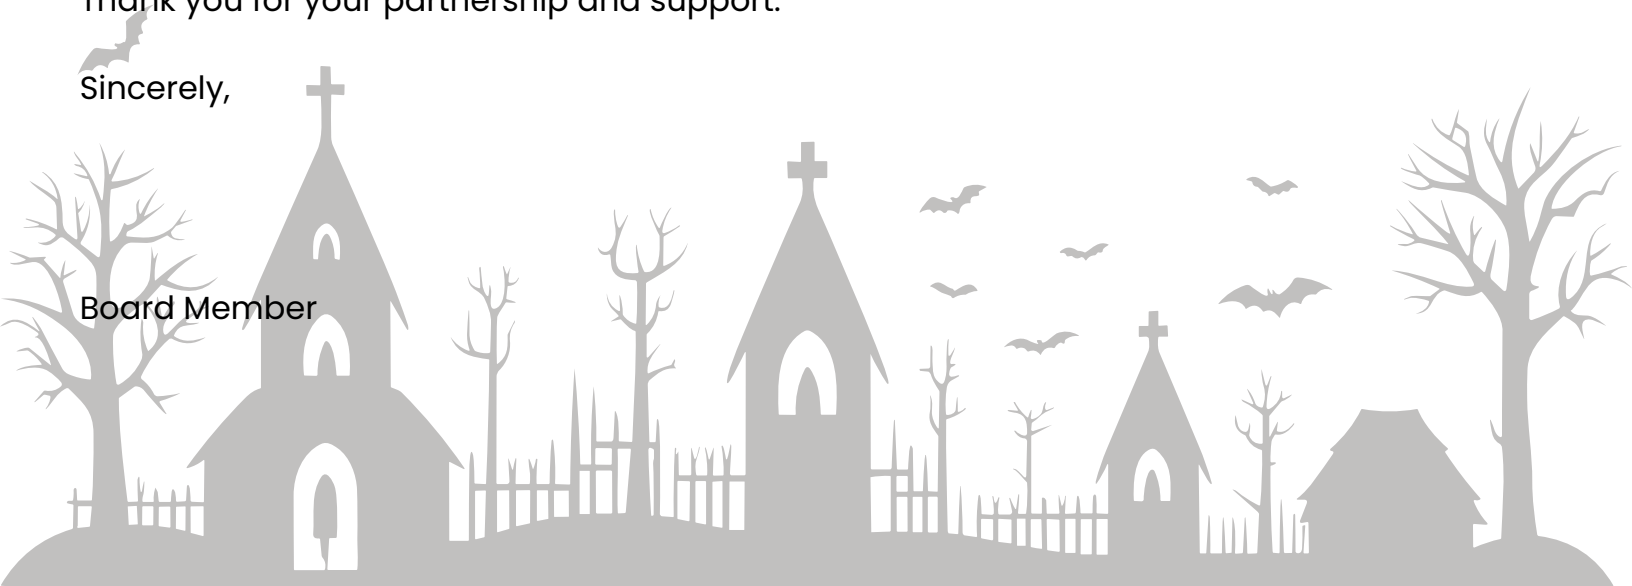

Whether you're a local business, community organization, or corporate partner, your investment demonstrates a commitment to building brighter futures for the students and families we serve.

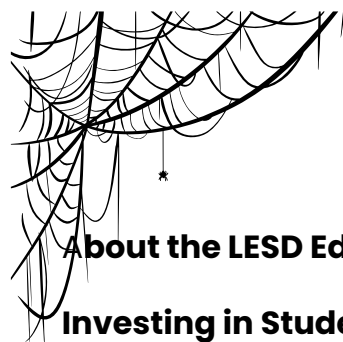

We invite you to join us in making this exciting community event a success.

Thank you for your partnership and support.

Sincerely,

Board Member

"What started out as a small idea came to life with the money from the mini-grant. We had over 60 families and 20 teachers come to our event and help revamp our school through lots of projects. The feedback we have gotten back from that event has been enormously positive."
